

## WITH THE CITY COUNCIL.

Business Transacted at the Extra Session Last Night.

## THE WARM SPRINGS LEASE.

Messrs. Barnes and Byrne Are Granted an Extension.

An Appropriation Asked for the Knutsford Entertainment - The Franchises Pending - Made Special Order of Business for Tuesday Night.

The city council met last evening and remained in session until nearly midnight. Folland was called to the chair and all the members were present except Beardsley, Heise and Rich.

THE FRANCHISES. On motion of Moran business was taken up under the head of reports of committees.

The committee on streets reporting in the matter of petitions for the new gas and electric light franchise, recommended that their former report in the matter of M. J. Gray's application for a franchise be referred to the city attorney to prepare an ordinance, and that the application of Wendell Benson be similarly referred in accordance with the previous report on the application of M. J. Gray. The report was adopted.

The committee on water works recommended that the petition of M. F. Mallin et al. for water main extension on Fourth East street be granted. Adopted.

The committee on Jordan canal and irrigation reported adversely upon the petition of H. B. Booth et al. asking that a certain ditch on Third North be filled up, be granted. Adopted.

The committee on Jordan canal and irrigation reported adversely upon the petition of Anthony Koenan et al. asking that certain ditches on Fifth South and Ninth West streets be constructed, owing to the fact that Fifth South has not yet been graded. Adopted.

The same committee reporting on the matter of the petition of LeGrande Young asking that a new house be put in at Red Butte Hollow, recommended that the water meter be instructed to do the work. Adopted.

The committee on public grounds reporting on the matter of the sand and gravel pits owned by the city, recommended that the following resolution be adopted:

Resolved, That the Warm Springs gravel pit and the sand pit at the north end of B street be placed in charge of the committee on public grounds with power to make such arrangements as may be necessary to work said pits to the best advantage during the remainder of this year.

This report was made upon the ground that the city is deriving but very little benefit from these properties under the present lease. Laid over temporarily.

The committee on public grounds further reported as follows:

We recommend that the petition of Cynd Peck for the lease of certain sand pits in Capitol Hill be granted for one year at a rental of \$50 in advance.

We recommend that the petition of B. P. Cummings, jr., for the lease of certain sand pits south of design park be granted for one year at a rental of \$50, payable in advance.

Loofbourrow was in favor of the city taking charge of all these properties upon which the leases have expired, and that a man be placed in charge in order that the city may derive some pecuniary benefit from them.

Lawson moved that the entire matter be referred back to the committee with instructions to put a man in charge and report back to the council, what arrangement they deemed necessary to make. Carried.

The committee on streets recommended that Second South street between Twelfth and Thirteenth East streets, and Thirteenth East street between First and Second South streets be put in passable condition, as petitioned for by the undertakers of the city. Adopted.

The committee on streets reporting in the matter of the claim of the Salt Lake Stradman company, stated that as the former council made payment on the basis of the measurement of the intersections and approximations, and that it would recommend that the first payment be made on the same basis, covering the amounts referred to, \$478.49 and \$261.44.

Referred to city recorder to look up the record.

The committee on license recommended that renewals be granted to P. W. McCaffrey, F. M. Short, John A. Williams, C. F. Whittemore, C. W. Parker, Fred S. Hadra, Mosher &amp; Cowan, and A. B. Margolis &amp; Co. Adopted.

Three members of the committee on public grounds reporting in the matter of Moran's resolution providing that \$30,000 be appropriated for the improvement of Liberty park during the present year to be expended under the supervision of the board of park commissioners or such

supervision as the council may elect, recommended that the resolution be adopted and that the committee on public grounds be authorized to expend the same, or as much thereof as may seem judicious, pending the appointment of a park commission. Referred back for other members of the committee to consider.

By permission, President Loofbourrow introduced the following:

To the Honorable Mayor and City Council:

GENTLEMEN:—The expense of entertaining the delegates to the Trans-Mississippi congress in this city on the 25th instant is \$45.00. Of this amount the chamber of commerce and Business Men's association have each paid \$25, reducing the amount to be paid to the city to \$10.00. The fact that the benefit from entertainments of this nature applies to all the people alike, we the finance committee feel justified in asking your honorable body to appropriate the amount of \$10.00, balance due. We would earnestly request your speedy and favorable action upon this request.

C. P. MASON, FRANK KNOX, H. B. BOOTH, W. E. HITCHCOCK, President Chamber of Commerce, President Business Men's Association.

Several of the members vigorously opposed the payment on the ground that the council "wasn't in it," to any noticeable effect, and expressed themselves as being somewhat surprised at the display of "nerve" on the part of the petitioners.

Finally the matter was referred to the finance committee.

The report of the committee on public grounds recommending that no change be made in the lease of the Warm Springs property, was taken up. Wantland moved that the matter be referred to the city attorney to prepare an extension of lease for five years which shall include a provision that the sum of \$50,000 be expended before January 1894, on improving the grounds as a park and in constructing of bath houses or pools, and that the city shall have the right to buy out the leases at any time after three years on payment of such sum as may be agreed upon by proper arbitration. The motion was laid on the table.

The lessee's petition for an extension of seventeen years on their lease, and agree if such extension is granted to expend not less than \$10,000 upon additional improvements within the next two years. They also agree to pay an extra rental of \$100 per month for the property after March, 1895, and \$50 per month for the year preceding.

Wantland opposed the granting of any extension for the purpose of establishing in time a free bathing resort.

Horn declared that nobody but Wantland would ever think of such a visionary and impracticable scheme, and said in a financial vein, wanted to know what other city in the United States maintained a free resort of this character.

Horn wanted to know if the springs were such valuable property, who made them so? He also called attention to the fact that the city had granted a valuable franchise to Mr. Bacon, and the Warm Springs lessees would soon have active competition and should be granted an extension which would warrant them in making the additional improvements, and moved that the report of the committee be filed and the present lease be extended for a period of seven years.

Kelly was in favor of granting the extension for seven years with the proper provisions.

Evans saw no use of being in a rush, as the present lease has eight years yet to run.

Lawson was very pronounced in opposing any extension whatever.

Loofbourrow thought the property was valuable and that it had been expended a large sum for improvements; also that it was to the city's interest to keep it in good repair. He was opposed to the idea of a free bath system, and declared that such a scheme would degenerate the springs into a bog-wallow. Further improvements should be made in order to compete with other resorts. It might be better to sell the property, but if the city intends to keep it they should put it in good repair.

He favored an extension of the lease under certain conditions, with regard to the amount of rental, and the sum to be expended in improvements. The main question was whether improvements in the sum of \$10,000 were sufficient for a seven years' extension, but he thought it was.

Loofbourrow amended the motion to provide that the lessees should expend \$10,000 on permanent improvements within eighteen months, and that the city engineer be designated as the party to determine when the amount has been expended. Carried.

The original motion was then put and carried by the following vote: Yeas—Beard, Hardy, Horn, Katrik, Kelly, Loofbourrow, Moran and Simonds; Nays—Evans, Folland, Lawson and Wantland, 4.

Appropriations were made as follows:

J. F. McLaughlin	\$11.40
R. Alf	1.00
Sykes Drug company	75
Utah and Montana Machinery company	19.50
J. Ryan	15.00
Robert Nelson	2.40
P. Klippel	2.25

John Reed	2.50
Ross & Livingston	136.30
L. M. Canaan	3.00
Salt Lake Lithograph Co.	2.00
A. W. Calne & Co.	3.25
R. N. Haskin	331.27

Loofbourrow moved that the franchise now pending before the council be made an order of business for Tuesday evening, to the exclusion of all other business. Carried.

## OF INTEREST TO ALL.

Some New Ideas That Will Bear Good Results.

A Few Facts About the Furniture Business from One Whose Knowledge Entitles Him to a Hearing.

The best evidence of the popularity of any institution is its success. Westward business here in Salt Lake city in a modest way, on the broad gauge principle of doing right, selling honest goods at lowest prices, and being honest in our transactions—fair and square—telling the truth, treating everybody alike, making customers by making friends, being courteous to all, and our business today, our growth, our standing, our popularity, stands as a monument to our work.

Others have come and gone, but we are still with you, and we intend to remain with you. It will be a cold day in the furniture installment business in Salt Lake when we surrender the laurels we have won, or stand up to be knocked down by any cheap competition. On the other hand, we will live on, grow faster and bigger, do more business, do it with more people and do better by them. Those who do not know us must not judge us by outside appearances. The heart is always within. One thing is sure, it is no spider's net, no glare of light to catch flies. There are but "few" places in this big country that show such stock as we do, there are "none" that sell better, sell it cheaper or sell it on more liberal terms. Our store rooms are packed full of the best and newest of everything in line of home furnishings. Parlor, bed-room and kitchen furniture, carpets, matting, baby carriages, in fact everything. Go through your home and see what it needs, then come here. Whatever you want you can get (and you will get the best) and we will sell it to you on your own terms. This we are going to make a special drive on such goods as we think most desirable; look them over. But before we go any further, let's say a word about baby carriages. They are marked in keeping with the other good things we offer, and are lower than they can be bought for elsewhere. Really you can't afford to buy a baby carriage till you see our stock. Besides we have special good things in Book-cases, Desks, Folding Beds, China Closets, China Chamber, Tea and Dinner sets, Brass Tables and Lamps, Refrigerators, etc. In fact, we have specially good things in everything in the line of house furnishings from a footstool to the finest parlor suite. A point we want you to bear in mind is, that if you trade with us and are sick or out of work, we carry you.

The Only Fair This Year.

The bazaar under auspices of the ladies of the Scandinavian Democratic society will be held tomorrow and Tuesday evenings, at 7:30, in Fourteenth ward meeting house. All the articles to be drawn at 25 cents a chance. All are welcome.

For the committee, H. M. H. LUND, Secretary of the Society.

DON'T READ THIS! Unless you want us to tell you that "we are the people" for horse and cattle feed. Rolled grain and low prices. Pacific Feed Mills Co., 11 East Third South St.

Baldness is either hereditary or caused by sickness, mental exhaustion, wearing tight-fitting hats, and overwork and trouble. Hall's Renewer will prevent it.

## FOR A DEEP CREEK ROAD

North Salt Lake Guarantees Ten Thousand Dollars.

A Plan for a General Railway Enterprise—D. C. Adams Returns—Secretary Clayton on the Franchise.

North Salt Lake, or the Twenty-second ward, is the first district to guarantee its proportion for the Salt Lake &amp; Pacific railway. The chairman of the ward soliciting committee received such assurances at the public meeting recently held and since then that he felt authorized in guaranteeing the \$10,000 assigned to this district. If all the other wards follow this example the entire amount will certainly be raised. In addition to the cash subscriptions, it is intended to secure ample grounds for the shops, yards and other terminal facilities, suitable for a union depot and transfer for all roads entering the city in the future. The plan contemplates devoting perhaps eighty or a hundred acres for a general railway enterprise, with a common railroad street or boulevard set apart for all lines running north and south through the city, and from the union railways and depot. By this means, terminal facilities can easily be obtained for the Salt Lake &amp; Pacific and the Salt Lake &amp; Los Angeles, both of which lines must obtain depot grounds, etc. Perhaps \$100,000 invested now, and 100 acres for such terminals would be worth ten times that amount a few years hence, and the north enders, realizing the situation, are getting a move on to secure the railway terminals of all lines which will enter the city in the future.

MR. ADAMS RETURNS.

His Attention Called to the New Schedule on Wool.

Mr. D. C. Adams, chairman of the chamber of commerce transportation bureau, returned yesterday from an eastern trip. To a HERALD reporter who called his attention to the new schedule on westbound traffic, he stated that he had not looked into the matter, that being the first time his attention had been called to it. If the new schedule raised the rates on wool it would affect Utah business, as a great deal of Utah wool has been purchased by San Francisco buyers in the past.

The following is the article to which Mr. Adams' attention was called:

In order to get even for the enforced reduction of tariff between New York and San Francisco, the Southern Pacific will make another move.

As a preliminary step toward recouping itself, the Southern Pacific has issued a new joint tariff, entered into by itself, the Denver &amp; Rio Grande Western and the Union Pacific. It is to go into effect May 31 and makes the following changes in rates:

From Ogden and Spanish Fork and points between them and San Francisco wool in sacks, in quantities of not less than 10,000 pounds, \$1.65 per 100 pounds. The present rate is \$1.35. On wool in bales, in quantities of 30,000 pounds, the rate has been raised from \$1.25 to \$1.40.

From Utah common points to California common points the rate on soap has been advanced to 82 cents.

From Ogden, common points to Ogden, the rate on flour and millstuffs has been advanced to 72 cents.

From California common points to Utah common points over the Rio Grande Western, the rate on sugar and tapioca, in straight or mixed carloads, has been fixed at \$1 per 100 pounds.

Thinks the Union Pacific Is in It.

The Salt Lake road, after investing half a million dollars in the construction of the finest piece of standard-gauge railway west of this city, thinks it is still held up by the Union Pacific.

A. A. Clayton, secretary of the Salt Lake &amp; Los Angeles, was asked yesterday if the city council had not yet given day if the city council had not yet given the franchise they asked for, replied:

The Union Pacific allowed the council to give us something that we did not want, to cross the Utah &amp; Nevada tracks at Eighth West. This was not what we asked for but what the Union Pacific requested. The council has been promising some action for several weeks but they seem disposed to freeze us out.

IN MEMORY OF WILLIAM FULLER.

The Real Estate Exchange Adopts Resolutions of Respect.

The Real Estate Exchange and Property Owners' association met in the Wasatch building yesterday afternoon to take suitable action upon the death of the president, William Fuller.

Mr. Knowlton stated that he had arranged for a floral tribute to the deceased, the design being that of a broken wheel. Messrs. Knowlton, Spencer and Brown were appointed a committee to draft resolutions of respect to the memory of Mr. Fuller, and they reported the following, which were adopted:

Whereas, It hath pleased Almighty God to take from midst of the church, his beloved brother and fellow laborer, William Fuller; and

Our acquaintance with the deceased was of long and pleasant experience,

his meekness of heart, his upright and kind disposition and his gentlemanly bearing, impressing us with the profoundest respect for him, both as a business man and a citizen; that in his life he manifested the most intense interest in the building up and development of all the material resources of our territory, and of Salt Lake city in particular—thus endeavoring himself to the hearts of all; and

Whereas, In his death the real estate and business interests of this city and territory have lost a valued friend and our president, co-laborer and ever energetic and faithful worker, and his family an affectionate husband and father, therefore be it

Resolved, That we deeply sympathize with the family and friends in this their greatest hour of affliction and earnestly pray that a kind and benevolent providence will help and comfort them; and that a copy of these resolutions be placed on the records of the Real Estate Exchange and printed in the daily newspapers of this city; also that a copy be sent to the family of the deceased. Respectfully submitted,

G. H. KNOX, S. F. SPENCER, G. H. BROWN, Committee.

In Music's Realm.

The Orpheus male singing society will give a concert at the Congregational church Thursday evening, May 4, for the benefit of the W. C. T. U. The following excellent programme will be rendered:

Orpheus Glee Club, "A Water Mill" (Kjerulff); Celio solo—"Notturmo" (George Goltzman); Bass solo—"The Storm Wind" (Selected); Pipe organ solo—"The Cathedral" (Jabor); Contralto solo—"Dress" (Streloski); Trio—"Canaan and Hutes" (Symphony Co. H. H. Johnson); Prof. Thomas Radcliffe and Messrs. Pickett and Gleason.

Baritone solo—"The Storm Wind" (Roulet); Soprano solo—"I Love My Love" (Miss Jennie Winston); "Good Night" (Dudley Buck); Mr. Willard Squire.

The directors of the Choral society have opened negotiations looking to the appearance of the organization at Provo in the near future in conjunction with the choir of that city.

Owing to the illness of Professor Stephens, the tabernacle choir was conducted by H. A. Tuckett on Thursday evening.

The Denbair band gave a thoroughly artistic interpretation of the William Tell overture at the Knutsford on Friday evening.

The directors of the Musicians' Union will meet at Calder's at 1 p. m. today, and the members will meet at 2 p. m.

A. W. Fryer, corn trombone soloist, is now engaged with Sousa's band and is "featured" in the advertising.

Among the bands expected here this year are Innes', the Thirteenth regiment of New York and Sousa's Marine band of Chicago.

W. E. Weihe will extend his Detroit trip to New York to visit Joe McIntyre, and the two will take in the World's fair. Mr. Weihe will be absent about three months.

The news of the marriage of Miss Lilly Roberts, Provo's greatest singer, to Professor V. B. De Laery of that city, was a surprise to the lady's many friends in Salt Lake.

The Chicago Ladies' quartette, of which Miss Francis Lincoln is a member, is touring through Colorado. The company will probably not visit Salt Lake until the fall, when Miss Lincoln's sister, Miss Elsie, who appeared in grand opera at Paris the past season, will be with her.

NELSON BOUND OVER.

The Swindling Attorney Must Go Before the Grand Jury.

Marcellus Nelson, the attorney who is charged with appropriating money belonging to his clients, had an examination before Commissioner Pratt yesterday, on the charge of embezzling some \$750 belonging to Joseph Nelson. The defendant was held to await the action of the grand jury, and in default of \$500 bonds went back to the county jail.

William Condon, formerly Nelson's law partner, yesterday swore out another complaint charging the latter with embezzlement. It is alleged that Nelson appropriated \$20 belonging to Ole Christensen, a cripple.
